

**SCHOLARSHIP FUND
RECURRING DONATION FORM**

Our tuition alone cannot fund our continued commitment to facilities and program upgrades, socioeconomic diversity in our community, and the benefits and wages our staff deserve for the amazing care they provide. But we are not willing to sacrifice any of these values.

We're asking you to financially support the values that keep our community strong by asking you to add a monthly scholarship fund donation to your tuition. These donations will be included on your monthly statements as a separate line item and will be matchable and eligible for tax deduction.

Yes, my family will support the Co-op scholarship fund by adding a donation to our tuition each month in the following amount:

- Neil DeGrasse Tyson _____ \$200 per month
- Sally Ride _____ \$100 per month
- Copernicus _____ \$50 per month
- Edwin Hubble _____ \$ _____ per month

I have submitted a matching form to my employer: _____

Your signature above authorizes the Cooperative Children's Center to bill you monthly for the selected amount. If you would like to stop this payment at any time please contact executive_director@coopchild.org.

Forms are due in the office Monday, October 17. Contact Liz Benko ebenko@gmail.com or Sarah Gohmann sgohmann@gmail.com with questions. THANK YOU!
